Ohio Pathways Rotary Club Helping The Bahamas

At our September Board / Membership Zoom meeting, we approved to have our members contribute towards the total of \$1,000 to buy a Shelter Box to help provide temporary housing to the victims of Hurricane Dorian. Shelter Box is a partner of Rotary International that provides emergency shelter and tools for displaced families.

Any amount you can donate to this cause will be greatly appreciated so we can reach our goal and help those in desperate need.

Go to our club website at: www.rotaryclub6600.org and click on the blue box "Donate to Shelter Box".

Our Club President for 2020-2021 has been selected!

The nominating committee is pleased to announce Emily Goetschius has been selected to be our club president for the 2020-2021 Rotary year. Emily will take over the reins of the club officially on July 1, 2020. The membership will make final approval of all officers for the 2020-2021 Rotary year at our annual meeting in December.

Emily Goetschius became a member of the eClub of District 6600 Ohio Pathways in October 2016, following her participation in the District's Group Study Exchange to District 1020 in Scotland.

She works as a Cultural Resource Management Archaeologist and has spent the last few years working throughout the US – including North Dakota, Oklahoma, and Texas. The eClub has been perfect for her busy lifestyle and has allowed her to remain connected to District 6600 while traveling.

Recently, she moved to Sunnyvale, CA with her fiancé, Johnny (also a GSE Alum!). Ms. Goetschius currently works as a CEQA (California Environmental Quality Act) Analyst and Project Archaeologist for a company called MIG. Her role bridges the gap between developers, Native American Tribes, state and federal agencies to ensure the protection of our nations prehistoric and historic cultural resources.

We welcome our newest member Sarah Jordan!

Sarah Jordan was introduced to Rotary when she was in junior high school when she attended a meeting with the inbound Rotary Youth Exchange Students to District 6600. Father Sid, a member of the Vermilion Rotary club,

and mom Sandy, began hosting Rotary Youth Exchange students. As we say, the rest is history as Sarah then became an Outbound Rotary Youth Exchange Student to Germany for a year.

When Sarah returned from her year abroad, she went to Cleveland State University and graduated with International Degrees in both her undergraduate and Masters.

Sarah lives in Lakewood, Ohio with her dog Nixon and my cat Yin. She is employed by the Girl Scouts of North East Ohio.

Youth Exchange continues to be in Sarah's blood because she is now on the Rotary District 6600 Youth Exchange Committee helping out by mentoring the Inbound Students who are now in District 6600. She will also be working with the next class of Outbound Students.

An Opportunity to Travel to Guatemala with Ohio Pathways Members

Club President Mat Peabody, Jim and Sue Hunt, Bob and Linda Kuck, Joe Berninger, and Howard Lobb will be traveling to Guatemala in February to participate in the Guatemala Literacy Project - Snapshot Tour.

[Snapshot Tour](#) February 18-23, 2020

Single occupancy \$1,475 / Double \$1,375

This trip gives a glimpse into the GLP's projects and Guatemala in general, with visits to GLP schools as well as tourism (boat ride on Lake Atitlán, shopping in markets, etc). This is a great intro trip to Guatemala.

If you recall, *over 600 Rotary clubs* already partner with the GLP to offer textbook, computer, teacher training, and youth development programs to *over 50,000 impoverished students*. And we need more hands on deck!

In addition to the Snapshot Tour there are other [Rotary service trips to Guatemala](#)

- Feb 1-9, 2020
- Feb 18-23, 2020
- July 12-18, 2020
- July 21-26, 2020

Each trip serves as a meaningful part of Rotary's fight to end poverty in Guatemala. You can visit the [project's website](#) for more details, but I'd also be happy to talk with you on the phone about the GLP's mission.

If you have any questions, you can email Joe at joe@guatemalaliteracy.org.
